2 party-list solons start fast to protest killing of militants

By Philip C. Salinas

Two party-list congressmen have introduced a bill to stop President Marcos from signing any more amnesty decrees for communist rebels. The bill, which is sponsored by Rep. Jose B. Sison of the Nationalist People's Alliance (NPA) and Rep. Jose B. Sison of the Nationalist People's Alliance (NPA), is the first of its kind since the president signed the 1991 amnesty decree for the rebels. The bill is titled "An Act to Prohibit the President from Signing Any More Amnesty Decrees for Communist Rebels." It is a response to the killing of two NPA militants by the Philippine Army in the Marikina area last week. The bill is expected to pass the House of Representatives in the near future.

Sen. Juan Ponce Enrile, who is also a member of the NPA, introduced a similar bill in the Senate. He said that the president has the authority to sign amnesty decrees, but he should not use this power to sign decrees for rebels who have committed heinous crimes. He said that the president should use his power to sign decrees for rebels who are innocent and who have committed minor crimes. Syria to withdraw all troops before election

UNITED NATIONS—Syria said on the first day on Monday that it would withdraw all its troops and intelligence forces from its northern border with Israel as the result of the Arab Spring.

Syria's decision, which is the first of its kind, is a sign of the country's growing openness to the world, according to the United Nations.

The move was made in the wake of the Arab Spring, a series of protests and uprisings that have swept across the Middle East. Syria's decision is seen as a sign of the country's growing openness to the world, according to the United Nations.

Schiavo case unexpectedly unites Americans

WASHINGTON—The Schiavo case, which has been a major focus of the media, has unexpectedly united Americans. The case involves a woman who has been in a vegetative state for 15 years, and her husband's efforts to keep her in that state.

The case has sparked a debate about the right to life and the right to die. It has also led to a series of legislative proposals that would give the federal government the authority to remove a person from a life-support machine.

OPINION

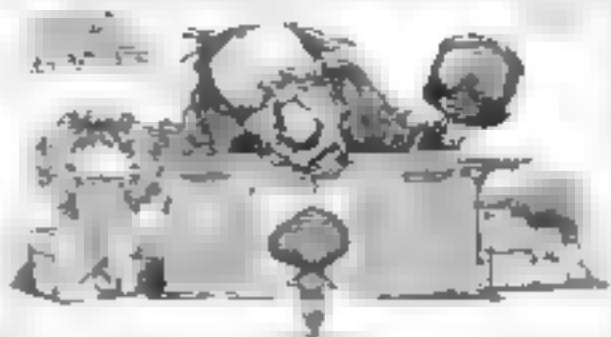

**Low cost**

Since the 1970s, the use of the term "disability" has been a source of controversy. The term has been used to describe a wide range of conditions, from physical impairments to mental health issues. The controversy arises from the fact that the term is often used to describe people who are not actually disabled, but who are simply different. This has led to a growing movement to use the term "differences" instead of "disabilities".

BY PHILIP SAGE-SILVER. My second trip to the grill was to Pines.

The Pines Grill is a small, intimate restaurant with a warm, inviting atmosphere. The menu is a mix of classic and contemporary dishes, all of which are cooked to perfection. The grill is the heart of the restaurant, and the chef is a true master of the craft.

The grill is a large, open hearth where the chef cooks a variety of meats and seafood. The flames are visible, and the sizzling sound is a constant background noise. The food is served on a rustic wooden table, and the atmosphere is warm and inviting.

After graduation comes the feasting

After graduation comes the feasting. The feast is a celebration of the hard work and dedication of the graduates. It is a time to relax and enjoy the fruits of their labor.

Play-dough from a mom, Roast Chicken from a chef

From page C1

2 sprigs fresh rosemary or 2 tsp dried

2 sprigs thyme or 1 tsp dried

1 lemon, quartered

Rub chicken all over with olive oil. Season with salt and pepper.

Combine garlic and herbs, and stuff into cavity of chicken. Stuff lemon into cavity, too. Marinate chicken overnight. If you don't have time to marinate, continue on with recipe and it will still taste delicious.

Bake on a pre-heated 350° F oven for 45 minutes covered with foil.

Make garlic mixture.

After 45 minutes, remove foil. Continue to cook chicken for 15 more minutes then pour garlic mixture over chicken. Continue to cook uncovered for another 15-20 minutes or until chicken is golden brown.

Carpaccio lover

Do you have a recipe for carpaccio? I love it but don't really know what it is.

J. OLONDRUP

Carpaccio is an Italian concoction served as an appetizer, traditionally of thin slices of raw beef drizzled with olive oil and lemon juice, often topped with capers and parmesan. Today, however, the renditions are endless, even fish is made into carpaccio!

I do have recipes but I'm sharing Chef Braun's version. The salsa verde, though, is from me.

Le Belvedere Lemon-scented Carpaccio of Beef, Parmesan Shavings and Pine Nuts

80 g beef tenderloin, sliced thin

20 g mixed lettuce

1 g basil leaves

10 g parmesan shavings

2 g pine nuts, toasted

30 ml lemon-olive oil dressing (1 tbsp. olive oil, 1 ½ tsp lemon juice, salt and pepper)

Black pepper

5 g cherry tomatoes

10 ml salsa verde

Brush plate with olive oil.

Place beef shavings on plate and set greens in the middle.

Sprinkle pine nuts around the plate.

Add parmesan shavings, tomatoes. Pour over dressing.

Drizzle salsa verde.

Decorate with basil leaves.

Salsa Verde

Process these ingredients in a blender:

1/3 c extra-virgin olive oil

¼ c chopped fresh parsley

2 tbsp-chopped fresh chives

2 tbsp-capers, chopped

1 garlic clove, minced

¼ tsp each fresh thyme, tarragon, oregano, mint

2 tbsp fresh lemon juice
